ELECTORAL VOTE OF NEW YORK AND INDIANA ASSURED.

Thomas H. Fitzgerald, who was a mem ber from Utah of the Bryan notification committee, returned yesterday from Chicago, whither he went following the notification. Mr. Fitzgerald is enthusiastic over the prospects for Democratic success in the nation.

"The gathering at Lincoln at the notification of Mr. Bryan was a most inspiring one," said Mr. Fitz\end{a}erald. "I doubt if ever there were such enthusiasm shown at a similar gathering in the history of the United States.

"For days before the notification Lincoln was filling up with strangers from all parts of the United States ready to tender to the Democratic standard-bearer an unprecedented ovation. A conservative estimate by a Republican of Lincoln placed the attendance of strangers at the notification at 50,000. tive estimate by a Republican of Lincoln placed the attendance of strangers at the notification at 50,000.

"At the luncheon following the notification Utah's representative was not at the left, not even the extreme left of the next president. Mr. Bryan was at the head of the table, and I was at the foot facing him. Mrs. Fitzgerald is quite proud of the fact that of all the women who were presented to Mr. Bryan on that day she was the only one who could assure him she would vote for him. The others were not possessed of the elective others were not possessed of the elective franchise that the women of Utah are so fortunate in having.

"After the notification celebration I went to Chicago. I had the pleasure of dining with Norman E. Mack, our national chairman, and Thomas Taggart, committeeman from Indiana. Mr. Mack assured us that New York was sure for Bryan, while Mr. Taggart said that the Republicans of Indiana had practically conceded Bryan a majority in that state.

Indiana Is Certain.

"From my own observations I feel that there is nothing surer than Bryan's election. He is sure of the solid south and this, with Nebraska, Indiana and New York, will give him the election. I am so sure that Indiana will be for Bryan that I am willing to wager \$5,000 to \$4,000 in support of that opinion."

Mr. Fitzgerald intends to make another trip east next week, and will be at the

## People Think They Have Kidney Trouble

Some people flounder on every subject; making a bull comes as natural to them as guessing right. Sometimes they're doctors; sometimes they are not. I know one case where about flity-seven different treatments were recommended for about twenty-three varieties of kidney trouble, and then it turned out that the patient had stomach enlargement, which is rather a common complaint. A great many a common complaint. A great many stomachs become distended and enlarged from gas, and very often the pains are of such a nature that they can be readily mistaken for kidney aches. The Cooper Pharmacal company of Chicago is authority for the statement that in Prosene the world has been enriched by an organic world has been enriched by an organic stomach tonic which, when taken by dys-

stomach tonic which, when taken by dyspeptics and chronic constipated, cures these forms of stomach disorder very readily. Mostly all people troubled with kidney disease also suffer from stomach prostration. Go to a druggist and have him mix one ounce Prosene Compound, Compound Tinctures of Cinchona, one ounce; Sherry Wine, half a pint. To be taken a teaspoonful before meals and at taken a teaspoonful before meals and at bedtime. Or instead of the druggist fillbedtime. Or instead of the druggist filling the formula, do your own mixing, and save a little money. The important thing, however, is to get the Prosene and give

train. While in Salt Lake he will be the guest of Mr. Stephens.

The ratification meeting of the Bryan supporters, which is under the supervision of the Woman's Democratic club of Salt Lake, will open the Democratic national campaign in Utah. The indications are that there will be a large number of prominent Democrats and Bryan supporters from all parts of the state, and that the meeting will be an unqualified success. The speaking will begin at 6 o'clock in the evening in the dancing pavilion. Judge William H. King will be the chairman of the meeting, and will also deliver an address. William W. Ray, president of the Salt Lake City Bryan club, will speak. The address of Mr. Robbins will be confined to national issues.

Republicans for Bryan.

"The affair was non-partisan, and there were many Republicans among those present, caught with the contagion of enthusiasm, who tried to out-cheer the Democrats. When Mr. Bryan arose to begin his address of acceptance there was a mighty roar of applause from the throats of the thousands who stood under the glaring sun waiting to do him honor. It was with difficulty that Mr. Bryan was able to quiet them in order that he might begin his address.
